Conexant Customer:

Subject: Conexant Conflict Free Material Statement for Conexant Semiconductor Products

Conexant Systems supports worldwide concerns that metals mined in conflict areas of the Democratic Republic of the Congo (DRC) may be making their way into the electronics supply chain. Conexant policy requires our supply chain partners certify in writing they do not knowingly procure gold, tantalum, tungsten, cobalt, or tin, from conflict areas of the DRC.

Conexant hereby certifies we have surveyed our supply chain regarding source and procurement of gold, tantalum, tungsten, tin and cobalt and, based on and in reliance on information provided by our suppliers, Conexant confirms that any of the afore mentioned metals utilized by our supply chain and contained in our products are not derived from or sourced from mines in the conflict areas of the Democratic Republic of the Congo (DRC) and are "DRC Conflict-Free."

CONEXANT SYSTEMS, INC.

A handwritten signature in black ink that reads "Tom Krawczyk".
